As part of the new partnership, Multipanel will be attending Screwfix Live for the first time. The show, which takes place at Farnborough's International Exhibition & Conference Centre between 22<sup>nd</sup>-24<sup>th</sup> September 2023, hosts over 170 of their top brands and is visited by over 20,000 members of the public.

Multipanel will be exhibiting on the same stand as Triton Showers. Both companies are owned by Norcross Plc.

John Mortimer, Managing Director at Multipanel, says: "The new partnership with Screwfix is a major milestone for Multipanel as it cements itself as the UK's leading brand for bathroom wall panels.

"Screwfix is a major supplier to the housebuilders and contract sector, and we're excited to be able to offer our products as an alternative to tiles. As well as delivering on design, bathroom panels are also easy to install, cost-effective and easy to maintain.

“The chance to exhibit at Screwfix Live is a great opportunity as we can speak direct to Screwfix customers to gather valuable insights that will help us develop our offering further.” Multipanel and Triton Showers can be found at stand Q14, where they will showcase a range of products that will be available to purchase on the Screwfix website.
